Nikunj Borad

Frontend web developer

9574983660	boradnikunj2001@gmail.com	Surat, Gujarat

Objective

As a seasoned Frontend Web Developer with over 5 years of experience in ReactJS and web design, my primary goal is to create seamless and engaging user experiences. I aim to translate complex requirements into intuitive and aesthetically pleasing interfaces, ensuring high performance and responsiveness. By staying updated with the latest industry trends and technologies, I strive to continuously improve and innovate. My focus is on collaborating effectively with cross-functional teams, adhering to best practices, and delivering high-quality code to enhance overall user satisfaction and business success.
